The copier/fax market is a multi-billion dollar opportunity. Don't miss a chance to broaden your reach with these products and consumables. Azerty is positioned to not only grow, but also diversify the product mix available to your customers.

COPY/FAX GROUP

Azerty offers over 800 OEM consumables for copier and fax machines along with a full line of compatible copy/fax supplies that is always expanding into the latest products. Our goal is to become your first call distributor of copy and fax supplies in the marketplace.

Our dedicated copier/fax specialists are available to help you increase your company's visibility in this category by offering marketing and training assistance to your sales team.
