DISTRIBUTION MADE EASY

***The Ultimate in
Service & Delivery***

The Ultimate in Service & Delivery

With Essendant, you can give your customer the ultimate in service and delivery without having to invest in stocking or warehousing. You have a lower cost of delivery with more local distribution centers than any other technology products distributor.

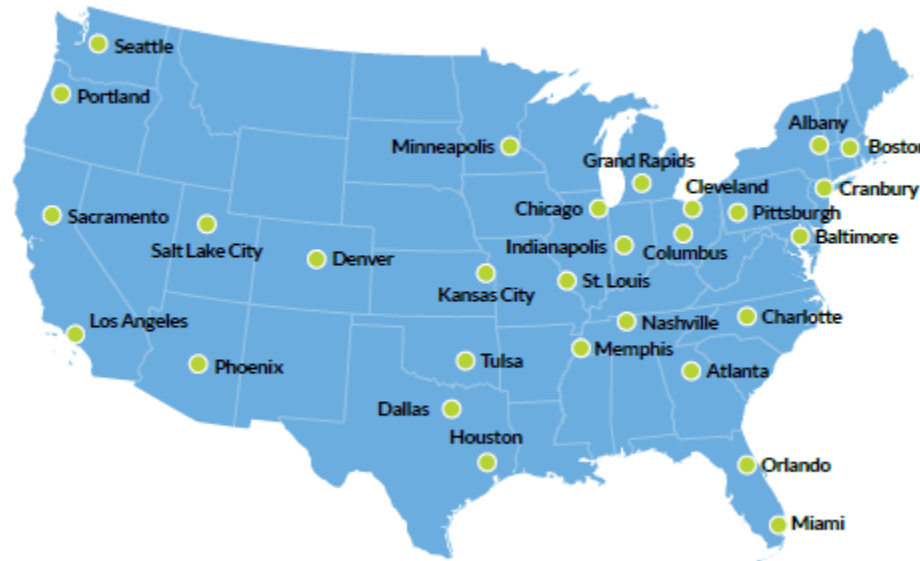

Our electronically linked distribution network provides a total of 9 million square feet of storage, enabling us to offer you 40,000+ SKUs – in stock and ready for delivery.

Distribution Centers

Distribution Network

We've established a network of 28 strategically located distribution centers and partnered with delivery providers that are unequalled in this industry. Our distribution platform is specifically designed to accurately drop-ship to your customers in YOUR name.

All of our distribution centers are enabled with the latest distribution technology available and we operate a redundant facility network that ensures no interruption in services.
