

United Stationers Inc. is North America's largest broad line wholesale distributor of business products and a provider of marketing logistics services to resellers. Our goal is to become the world-class, leading distributor of business products serving land and cyberspace resellers.

WHO IS UNITED STATIONERS?

■ While it's true that United Stationers offers the widest selection of business products in the industry, that's only a piece of the story. Our proven marketing programs, training workshops and other value-added services are recognized throughout the country.

Our people are category experts — focused on maintaining relationships with more than 450 manufacturers while identifying the next “hot” item — so you get it in your hands first. And, with 18 electronically linked facilities, 9 million square feet of distribution space and a commitment to next-day delivery, you never have to miss an opportunity to capture the sale. Everything we do works together to make you more profitable.
